

# Aspen's Ironclad Warranty vs. All Others

Aspen has the strongest warranties to protect your investment. We give the best warranties so owners have the peace of mind that they will always be covered no matter what. We do the best work in the industry and that is why we can offer the best warranty. See how our warranty compares to others.

	Aspen's Ironclad Warranty		Standard Manufacturer Warranty		Standard Contractor Warranty	
<b>Notification of Claim</b>	✓	Easy - notify Aspen and we will fix immediately	✗	Difficult - written notice mailed to manufacturer within 30 days of discovery of leak or problems with proof of purchase. Also may require you submit, at your expense, samples of materials for testing and photos.	✗	Difficult when you can't reach anymore or only covered for a few years
<b>Unsure of Cause</b>	✓	Aspen checks for free	✗	You have to prove it was from their products	✗	You have to prove it was from their installation
<b>Improper Installation</b>	✓	Covered	✗	Not covered	✗	Depends on what the issue is
<b>Repair Limitations</b>	✓	None	✗	Labor rarely covered	✗	Materials rarely covered
<b>Interior from Repair</b>	✓	Covered	✗	Not covered	✗	Not covered
<b>Expansion or Contraction of Counter Flashing &amp; Metal Work</b>	✓	Covered	✗	Not covered	✗	Not covered
<b>Roof Size Limits</b>	✓	No size limits	✗	2000 square feet or 5 years for a business to cover material and labor	✗	Usually only residential
<b>Change in Building Usage</b>	✓	Covered	✗	Not covered	✗	Not covered
<b>Transfer to New Owner</b>	✓	Covered for the property with no fees and no transfer limits	✗	Maybe covered for a fee	✗	Not covered
<b>Length of Warranty</b>	✓	Lifetime of product on all materials supplied in job and includes all material and labor	✗	3-10 years but does not cover underlayment, metalwork, flashings or other related work nor cost to remove or dispose of shingles	✗	2-10 years
